

HRC inc. is a women owned and managed construction company.

Welcome To HRC

If you can dream it, we can build it! Houston Remodeling Contractors has an established track-record of completing beautiful renovations of residential and commercial facilities throughout the greater Houston area. We're more than a simple renovation company. We're a full-service construction company that has called Houston home since 2005. We know that what we do in the community makes a difference in our client's lives because we've seen this impact in person, year after year.
